

What are we up to now?

For the rest of January we are studying:

- ◆ Heat, Light and Sound
- ◆ Adjectives
- ◆ Japan, Russia, China, India
- ◆ How to write a book review
- ◆ More Counting
- ◆ The Scientific Process

Today was our first day of computer testing. All the kindergarten students completed the math test. It went well! Tomorrow we will test in Reading. Thanks everyone for getting here on time so we could start first thing.

Words of MLK, Jr.

“The time is always
right to do what is
right.”
